### Key Responsibilities of the Committee

- Promote a safe and protective environment for all students and create awareness on child protection.
- Receive and promptly refer child-protection concerns to the appropriate designated authority.
- Listen to a child calmly and supportively without displaying shock or disbelief.
- Record disclosures concisely using the child's actual words; do not investigate or ask leading questions.
- Maintain appropriate confidentiality while ensuring that safeguarding concerns are reported and acted upon.
- Encourage staff awareness and training on safeguarding, child safety and POCSO-related responsibilities.

**Important safeguarding principle:** Receive, Reassure, Respond, Record and Refer.
